

SECURITY COMPLIANCE DECLARATION

(To be filled in by the project participants as part of the application. All declarations must be assembled by the coordinator and uploaded in a single file in the Portal Submission System.)

All participants (beneficiaries and affiliated entities) must fill out the form. Please adapt the security declaration to the topic that you are applying for (see green options below.)

SECURITY COMPLIANCE DECLARATION	
Participant:	[legal name] ([short name])
PIC number:	
Project name and acronym:	[project title] – [acronym]
COMPLIANCE DECLARATION	
We hereby confirm that:	
<i>[OPTION for all CEF-DIG Works topics:</i>	
<ul style="list-style-type: none"> – the digital infrastructure (i.e. network technologies and equipment, including software and services) funded by the grant comply with the security requirements set out in the call conditions and are in accordance with the applicable EU law, national law, and EU guidance on cybersecurity.] 	
<i>[additional OPTION for CEF-DIG Gateways Works topics:</i>	
<ul style="list-style-type: none"> – no security sensitive equipment or services deployed or used within the project will be procured from third country suppliers, unless the call conditions provide otherwise, and – effective measures are in place to address underlying security issues, including, wherever relevant, measures to avoid that the digital infrastructure funded by the grant falls under foreign jurisdiction obligations, or third country influence.] 	
<i>[additional OPTION for CEF-DIG EuroQCI Works topics:</i>	
<ul style="list-style-type: none"> – no security sensitive equipment or services deployed or used within the project will be procured from third country suppliers, and – effective measures are in place to address underlying security issues, including, wherever relevant, measures to avoid that the digital infrastructure funded by the grant falls under foreign jurisdiction obligations, or third country influence.] 	
<i>[additional OPTION for CEF-DIG Cloud Works topics:</i>	
<ul style="list-style-type: none"> – no security sensitive equipment or services deployed or used within the project will be procured from third country suppliers, unless the call conditions provide otherwise.] 	
Comments	
<i>Demonstrate how you will comply with these requirements regarding your part of the project.</i>
