**Coordination of Land Mobile Systems in Sweden with
Land Mobile Systems in Estonia in 694-790 MHz**

Dear Sir / Madam,

Estonian Technical Regulatory Authority agrees that there is no need for coordination between Land Mobile System in Sweden and Land Mobile System in Estonia in the frequency band 694-790 MHz.

Yours sincerely,

Alo Einla
Head of Frequency
Management Department

Endrik Kriisa (+372) 667 2131
